CORRECTION

Correction: The political economy of in-kind versus cash redistribution in Europe

Michele Gubello[1,2] · **Shane M. Dunne**[3]

Correction to: International Tax and Public Finance
https://doi.org/10.1007/s10797-025-09908-6.

Equation (15) in the original version of the article contains a typo. In the main manuscript, Equation (15) currently reads:

$$g_m^* = \begin{cases} t(p-\mu), & \lambda_m \in [0, \lambda_1^\mu) \\ tp - (1-p-\mu)\left[\Upsilon\left(1-\lambda_m\right) - y_0\right], & \lambda_m \in [\lambda_1^\mu, \lambda_2^\mu] \\ 0, & \lambda_m \in (\lambda_2^\mu, 1), \end{cases} \tag{15}$$

It should read:

$$g_m^* = \begin{cases} t(p-\mu), & \lambda_m \in [0, \lambda_1^\mu) \\ t\,(p-\mu) - (1-p-\mu)\ \ [\Upsilon\ \ (1-\lambda_m) - y_0], & \lambda_m \in [\lambda_1^\mu, \lambda_2^\mu] \\ 0, & \lambda_m \in (\lambda_2^\mu, 1), \end{cases} \tag{15}$$

The same typo appears in the Online Appendix in Eq. (E.9) and in the sentence on page 16: "The optimal demand for g∗ […] is derived directly in the main body of the paper as g∗ = tp − T∗", which should read "The optimal demand for g∗ […] is derived directly in the main body of the paper as g∗ = t(p − μ) − T∗."

The Corresponding Author takes full responsibility for the typos and apologises.

The original article can be found online at https://doi.org/10.1007/s10797-025-09908-6.
